Lamborghini Cars Coloring Book

If you like free cars coloring pages, this is just the right book for you. This coloring book pays tribute to a fantastic fast car brand from Italy; Lamborghini. In this coloring book you will find coloring pages of all Lamborghini production models. So, no concept cars, but only the real stuff, which was really produced. Coloring pages of the Gallardo, Murciélago LP640, Diablo, Countach, Miura and many more... Print these coloring pages out and color them in as many times as you like.

I owe a really big thank you to all the photographers out there, who gave permission (by email, FlickrMail, or by publishing under the appropriate Creative Commons License) to use their fantastic photos to create new stuff. Furthermore, I thank Hans Heidanus, who put effort in checking and correcting my English. And last but not least I thank my girlfriend Rina and my two beautiful kids Jeroen & Marieke for their love and inspiration. THANK YOU!
