Pond Dipping

Roderick Hunt
Alex Brychta

Wilf and Wilma were at the pond.

The net got stuck.

“Help me pull,” said Wilf.

They pulled the net.

It was stuck on some junk.

Wilma got a big stick.

“Let’s pull it out,” she said.

Wilf and Wilma pulled.

They couldn't pull the junk out.

Mum and Dad helped.

They pulled out an old pram.

Plop! A frog hopped out.

It made Wilf jump.

Splash! A fish jumped up.

“A pram full of fish,” said Dad.

“Pram dipping!” said Wilma.
